

## Michael Will, MD

Family Practice

Board Certified by American Board of Family Medicine

Prior to receiving his doctorate in medicine with Dean's Honor Roll recognition at Wayne State University, Dr. Michael Will did undergraduate studies in biology at the University of Miami in Coral Gables, FL and at the Lyman Briggs School of Natural Science at Michigan State University (MSU) in East Lansing, MI.

During his years at MSU, Dr. Will distinguished himself in extensive gene research working on sophisticated immunologic concepts and experimental protocols. His work contributed to two published papers that were critical to the development of the OAS1 gene to abnormal pathways.

As a transplanted Michigan native with a passion for helping others, Dr. Will completed his Family Residency Program at MidMichigan Health University of Michigan Health System in his hometown of Midland, MI. He believes that giving back can be a global endeavor and joined a church mission to Africa.

When not seeing patients at his clinic, you might find Dr. Will on the golf course or participating in other sports activities.

### EDUCATION

Doctorate of Medicine, Wayne State University  
Detroit, MI
